

SUPER GROUP **AT A GLANCE**

6 SUPER GROUP SNAPSHOT

7 THE GROUP'S THREE DIVISIONS

SUPER GROUP SNAPSHOT

Super Group partners with blue-chip companies that span multiple industries and continents, providing supply chain and mobility solutions that drive efficiency and bolster competitiveness in challenging markets and industries. In all the sectors and geographies in which we operate, Super Group leads the way in meeting the ever-escalating demand for higher levels of performance and innovation.

The Supply Chain, Fleet Solutions and Dealerships businesses offer a comprehensive range of services and solutions. Our customers partner with us to optimise their growth because we understand their business and leverage our experience, state-of-the-art facilities and technology to their advantage.

The communities in which we operate collaborate with us because we are committed to building a sustainable business that empowers people, takes care of the vulnerable and works to protect the planet.
