**1000 Hills Community Helpers (1000 HCH) is situated in Inchanga, KwaZulu Natal and is a registered non-profit organisation.**

Their dedicated team of volunteers, staff and partners work tirelessly to improve the lives of this impoverished community. The 1000 HCH Community Care Centre consists of a health and wellness clinic, a children's infirmary and a skills development facility. The organisation also runs an extensive feeding scheme and offers counselling, home based care and support groups to those affected by HIV/AIDS. Digistics has long supported the work of 1000 HCH and in December 2021, the business once again partnered with the NPO to provide the community with over 200 food parcels.
